Dear Fleetwood Resident:

Since 1914 the Fleetwood Volunteer Fire Company (FVFC) has been providing emergency services to our community. This protection has been professionally performed by the dedicated well-trained volunteers who live in and around Fleetwood. Our volunteers take great pride in ensuring that our neighbors enjoy the absolute best safety and comfort they deserve. Now more than ever, **we are looking for a few good men and women to become volunteers.**

The Fleetwood Fire Company is a volunteer department that has approximately (30) actual firefighters and/or rescue technicians, plus another (30) support personnel that donate thousands of hours per year to help their neighbors, many of whom they have never met. The number of volunteers we have is dwindling, and as some of our members approach retirement we find that we need to recruit new volunteers immediately.

These volunteers are typical citizens who work a full-time job and then donate time from their personal lives to train to be the best firefighters they can be. We have found that this commitment to public safety can be very rewarding, exhilarating, and challenging. As a volunteer of the FVFC, you will be given state mandated training, firefighting gear, and the opportunity to help your fellow citizens free of charge. We have many different positions for volunteers such as: auxiliary crew, engineers, fire police, vehicle rescue, EMS, and of course performing interior firefighting. Plus, we offer a junior program for youth ages 14 – 18. All of these roles, individually or

cumulatively, are equally important to us.

We are excited about sharing the opportunities that exist for you and how you can contribute to our organization. Please join us at our **recruitment drive on Sunday Nov 8th** from 10 AM – Noon, or stop in at our station at 16 N. Chestnut St. any Tuesday night after 6:30 PM. We will have personnel on hand to discuss the many roles in which you can assist us, and we will have membership applications available as well.

To learn about FVFC, please visit our website at www.FleetwoodFire.com, or give us a call at 610-944-7676. We look forward to meeting you at our recruitment drive, and we hope that you have what it takes to become a volunteer of FVFC to serve your community.

Sincerely,

John R. Manmiller
FVFC Fire Chief
